Please indicate your INTEREST in attending this class and taking it for credit:

No interest = 0 1 2 3 4 5 6 7 8 9 10 = very high interest.

Please indicate the likelihood that you will DROP this class:

Definitely will DROP = 10 9 8 7 6 5 4 3 2 1 0 = no chance of dropping.

It is VERY STRONGLY DISCOURAGED that anyone DROP this class after the first week. Obviously, legitimate circumstances can arise, necessitating withdrawal, however, the enrollment in ME72 is limited, therefore if you drop the class, you will have taken a spot away from someone else. If you can't attend, please DROP by the end of the first class. It will take a really good, and verifiable, excuse to drop after that.

This class is offered grades only, no pass/fail, no E's or I's. Attendance is mandatory. If you are admitted to the class, and don't attend, your spot on the roster will be given to someone else (unless you have a really good excuse). If you are not admitted, and really want to attend the class, attend the first 2 classes. If you don't attend the first 2 classes, you have no hope of getting in. If you do attend the first 2 classes, then there is a slim chance that a spot may open up for you.

A tentative list of students eligible to attend ME72 will be posted outside room 321 Thomas.
